Suggested Content: Brand Name & Logo, Website, Contact Information. Options: Trainer/Owner Name/s, Address, Slogan.

Team NW can produce your sign in color or black and white. Art should be submitted in 150 DPI in PDF, JPG or TIFF format.

Design and layout assistance available for an additional charge.

Note: To ensure sign visibility/readability, consider that the Grand Prix Ring measures approximately 170' x 300', so bold designs are most effective.

* Team NW makes a considerable effort to ensure a uniform aesthetic at Hunter Creek Equestrian Park. Toward that end, we require signage made expressly for our site.

In support of this design quality standard, Team NW offers the above discounts for signage already produced and exhibited in successive years.

Team NW retains final approval of sign design and content. Team NW coordinates placement and installation with buyer.
